Exodus 14  
God Divides the Red Sea

1. When Pharaoh realized he had lost all his slaves, he changed his mind about letting the Israelites go.
2. Pharaoh got in his chariot. He took his army and all his chariots and chased after the Israelites.
3. As Pharaoh got closer, the Israelites looked up and saw the Egyptian army. The Israelites were terrified and cried out, "We're going to die! It would have been better for us to serve the Egyptians than to die in the desert!" Moses said, "Do not be afraid." Find and read Exodus 14:14.
4. Moses raised his staff and all that night, the Lord divided the Red Sea with a strong east wind. The Israelites walked across the Red Sea on dry ground, with a wall of water on their right and on their left!
5. The Egyptian soldiers followed the Israelites into the Red Sea.
6. When the Israelites were safely across the Red Sea, Moses stretched his hand back over the Red Sea, and the water came back together.

- **Re-enactment of Moses Parts the Red Sea**
- Use a large blue sheet to represent the Red Sea. Lay the sheet on the floor, an adult holding each side. Divide the class into two groups. Have the Egyptians pursue the Israelites to the edge of the sheet. Say, “Do not be afraid, the Lord will protect.” Raise the sheet and let the Israelites run under the sheet to the other side. When the Egyptians pursue, bring the sheet down on top of them. Take turns.
